

Best Western Jamaica Bay Inn (Parcel 27) located at 4175 Via Marina consisted of the renovation of the hotel portion along Admiralty Way along with the addition of 69 additional hotel rooms in a new structure. The existing one-story restaurant structure was demolished and in its place was built a new 4-story building with a view corridor, a Marina Beach Promenade, and a new upscale restaurant. Construction began in May 2007 and was completed in November 2010.
